

## Student Quick Reference Guide – Creating an Account

The screenshot shows the top navigation bar of the u.select website. It features three input fields: 'User ID', 'School ID in u.select' (with a dropdown arrow icon), and 'Password'. A 'Login' button is positioned to the right of the password field. Links for 'Forgot password?' and 'Forgot User ID' are located in the top right corner. Below the navigation bar is the u.select logo with the tagline 'get the credit you deserve®'. To the right of the logo are links for 'About u.select', 'Contact', and 'Glossary', along with social media icons for Twitter and Facebook.

**Start using u.select**

**Find your School in u.select**

Search:

- Search All Schools
- Featured Schools

Help us make u.select better!

 Take our survey!

In order to create and use Transfer Plans, you must first **CREATE AN ACCOUNT**.

1. Choose a **USER ID** (you can use your name, your campus user id or email name, etc.)
2. Select the school you are transferring FROM, using the  button to look up your school
3. Choose a **PASSWORD**
4. Click 

**Done!** You have created an account in u.select and you can now create Transfer Plans! Be sure to make a note of your User ID, School ID and password for future reference; you will have to log in to u.select every time you use it.
